Math			50%		49%	52%

\* In 2017 and 2018, grades 3-8 took the Next Generation MCAS for ELA and math, while grade 10 took the legacy MCAS. In 2019, all grades took the Next Generation MCAS for ELA, math, and science. Differences between the two assessments mean that they cannot be used in a continuous trendline, so only results from the Next Generation MCAS are shown.
